Educational Background

Sep 2022 – Present Southwest University of Finance and Economics (211)
University of Delaware (USA)
Information Management and Information Systems

Major Courses:
Business Analytics Fundamentals \[Eng] (99) Machine Learning and Business Applications (98) Mathematical Statistics (98) Business Application Programming (99) Programming Practice (98) Internet Product Design (94)

Competition Experience

2024CCPC – Women's Division	National Bronze Award
2025E-commerce Innovation Competition	Provincial 1st Prize
2023College Art Festival (Microfilm)	Provincial 1st Prize
2023College Computer Skills Challenge	Provincial 2nd Prize
2024College Computer Design Competition	Provincial 3rd Prize
2025Intelligent Agent Design Competition	Provincial 3rd Prize

Scientific Research Experience

2023.04-present   Challenge Cup Competition   Member

- "Mining" New Life: Innovative Solutions for Land Regeneration
- Applied TOPSIS and AHP for site evaluation and building priority optimization,supporting resource allocation. Provincial award.

2024.09-2025.02   SWUFE Research Training Project   Member

- Software Copyright Applied (Registration No. 2025SR0788427)
- Smart Travel Aid for Visually Impaired (YOLOv5)
- Handled environment image collection, model training, deployment, and feedback optimization, establishing a closed-loop process.

2024.03-2024.09   Computer Design Training   Member

- RAG-Based Financial Analysis Q&A Platform Development
- Built a domain knowledge graph with thousands of financial terms using the FINQA dataset, enhancing model semantic understanding and domain adaptation. Awarded provincial third prize.

2023.07-2024.05   SWUFE Summer Research Program   Member

- Research on Art Style Image Generation Based on VACGAN Model
- I conducted in-depth debugging of the VACGAN model, took charge of literature research and experiments for the model. The project has won multiple national-level awards and patents.

Internship Experience

2024.01-2024.02 China Unicom   IT Ops & Maintenance

I interned in IT operations at Dalian Unicom, one of China's top three telecom operators. My work involved monitoring core **network equipmen**t and helping improve office **system maintenance**.

2025.01-2025.03 Ernst & Young Hua Ming LLP   Data Analyst

I interned as a data analyst at Ernst & Young Chengdu. My duties included assisting the audit team with **security and assessments of client systems**. I used audit tools like DBeaver for cloud **data analysis**.

Practical Experience

2022.09-2023.09	**Warm Winter Social Practice 2nd Prize**	**Leader**
2023.06-2023.07	**Social Practice University-Level Third Prize**	**Leader**
2022.09-2023.09	**FISU Games Volunteer**	**Member**
2022.09-2025.07	**over 300 hours of volunteer service**	**Member**
2023.03-2023.06	**SWUFE History Museum Captain**	**Leader**
2023.09-2024.09	**First Place in Badminton Competition**	**Member**
